NOTES AND PRECIS.

D.No. 4967 S.N.1

Under revised Article 526(a) of the C.S.R. "when a person formerly in military service obtains employment in the civil department after having been granted a military pension, he shall continue to draw his military pension, but the authority competent to fix the pay and allowances of the post in which he is reemployed shall have, in fixing his pay and allowances in the post in which he is reemployed, the power to take into account the amount of pension, including such portion of it as may have been commuted." The Resident is the authority to fix the pay of the post and he is empowered to take into account the amount of pension drawn by the candidate in fixing his initial pay. The minimum pay of the post is Rs. 30. In the ordinary course the candidate should be started on Rs. 21 taking into account the military pension pay of Rs. 9 drawn by him. But the Residency Surgeon recommends that as the candidate is not likely to earn a pension while in Civil employ no reduction need be made in his initial pay. It is not strictly correct to say that the candidate is not likely to earn a pension while in civil employ. He is now only 40 years old; he can serve until he is 55 or 60 years old, and earn proportionate pension. As however the Residency Surgeon recommends that no reduction of the pay be made and as the amount involved is negligible, the proposal may be accepted.

Subject :— Fixation of pay under article 526(a) Civil Service Regulations.

SIR,

I have the honour to inform you that I have entertained one Mr.C.P.Narayanaswami, Ex-Service Clerk on probation for six months from 1-5-36 in a vacancy caused by the death of Mahomed Jaffer, Record Clerk and Typist of our Hospital.

The candidate belongs to a minority community and has served in the Military as a second grade clerk for about 18 years and is well trained in clerical duties.

In a small field of clerical establishment like the one of our Hospital, I considered it inexpedient to take an untrained man and give him the necessary training, as it would cause inconvenience to the already over-worked staff.

He was drawing while in Military a salary of Rs.75/- per mensem and is now in receipt of a pension of Rs.9/- p.m.

The scale of pay of the post to which he is now appointed is Rs.30-3/2-45-2/2-55 and under the revised article 526(a) Civil Service Regulations, the authority competent to fix the pay of the post in which he is re-employed should in fixing the initial pay of such post, take into account the amount of pension the incumbent is drawing.

As the candidate is already over-age (40 years)

P.T.O.

and is not likely to earn a pension while in Civil employ.
I recommend that no reduction be made in his initial pay in the Civil Department.

In these circumstances, I have the honour to request you kindly to obtain the necessary sanction for the fixation of the Civil pay of the clerk at Rs.30/- p.m. in the said scale.

I have the honour to be,
Sir,
Your most obedient servant,

Lieut-Col.I.M.S.,
Residency Surgeon, Bangalore.
